IZJAVA.

Potpisani daju gosp. Haimu Montilji, zubaru iz Zagreba slijedeću izjavu. Kako je gosp. Montiljo Haim, bio od godine 1930 do 1938, glavni tajnik, najprije zubotehničkoga, zatim Dentističkog Društva, te tajnik Dentističke Komore, te ovime izjavljujemo da se je sav rad gospodina Montilje osim općih staleških interesa, koje je vodio na opći uspjeh našega staleža, bio potpunoma u saglasnosti i ciljevima opće Hrvatske orijentacije, tako da je u društvenome radu lojalno i bezprikorno uvijek zastupao Hrvatske ciljeve kako pred vlastima tako i među članstvom.

Od godine 1935 do godine 1938, vodila su Dentistička Društva sa bivšim ministarstvom Socijalne Politike i Narodnoga Zdravlja ogorčenu borbu oko donošenja Odrasbe o Dentističkim Komorama, te su naša Dentistička Društva sa tadašnjim tajnikom gospodinom Montiljom vodila ~~XXXXXXXXXX~~ borbu za posve autonomnom komorom za Hrvatske krajeve, jer Ministarstvo to nije htjelo nikako odobriti.

Kako je gospodin Montilj imao velike zasluge za dentistički stalež, i bio uvijek ispravno Hrvatski orijentiran, to mi tu izjavu dajemo ra postignuća prava, koja su njemu ispravnome građaninu potrebna.

STATEMENT.

The undersigned are making the following statement about Mr. Haim Montiljo, a dentist from Zagreb. Mr. Haim Montiljo was a chief secretary first of Dental technicians' society, and then of Dental Association from 1930 to 1938, and also secretary of the Dental Chamber; hereby we state that all Mr. Montiljo's work (apart from his professional work, which he performed proudly and professionally) has been in accordance with the goals of overall Croatian interest, and that in his socially oriented work he has always been a representative of Croatian (national) goals – in front of the authorities, and among the members.

From 1935 to 1938, Dental Association had a bitter struggle with the former Ministry of Social Politics and Public Health about the Decree on the Dental Chambers. Mr. Montiljo, as a secretary, was the leader of our Dental Association in its struggle for the foundation of an autonomous Chamber in Croatia, because the Ministry did not want to allow it.

Since Mr. Montiljo has proved to be of great importance for his entire profession, and has always had pro-Croatian political orientation, we are making this statement in order to help him acquire the rights he needs as a fair citizen.

The undersigned are making a statement that they are well-acquainted Mr. Haim Montiljo, a dentist from Zagreb (15 Nikolićeva Street), and in solidarity are stating this:

The person in question has always excelled in all pro-Croatian activities and he has been part of many demonstrations against police authorities.

Especially during anti-Croatian regime and the elections of 5 May 1935 – together with the rest of us, Mr. Haim Montiljo was involved in a fight with the police in 15 Nikolićeva Street during great fights with the police and chetniks. In that occasion, we, the undersigned, hid over 150 Croatian protestors in the courtyard of 15 Nikolićeva Street. The conflicts were tough and such that we put tables, chests and wheels in the courtyard in order to stop the police attacks.

After the two-hour struggle, we managed to make it through the courtyard and continue with the demonstrations on the street. This is when Mr. Montiljo was wounded on Jelačić Square and then arrested; afterwards, he sentenced to jail by the verdict number 92458 – 1 – 1935 on 24 July 1935 by the former Police Directorate of Zagreb. A certified copy of the document is attached to this statement, and this statement is given for the recognition of Mr. Montiljo's pro-Croatian activities, and confirmed by our own signatures.

Odgojen sam u čisto hrvatskom duhu od majke, koje je
otac već god. 1892 bio izabran za gradskog zastupnika u Zagrebu
na opozicijskoj listi, t. j. u doba asimilacijskog pokreta, koji
je dao iz židovskih redova mnogo javnih radnika na kulturnom i
političkom polju.

Cijelog svog života radio sam kao Hrvat te nisam nikada
bio član niti cionističkih niti masonskih društava.

U srednjoj školi bio sam član hrvatskog Sokola i Hrv.
Akadenskog Sportskog Kluba.

Kao tehničar radio sam aktivno u hrvatskim redovima u
Pragu i u akademskom društvu "Hrvat" u Pragu.

Za vrijeme svjetskog rata od 1914-1918 bio sam borac u
bivšoj A-U vojsci, te sam odlikovan malom srebrenom kolajnom za
hrabrost i vojnim križem za zasluge III. r. sa mačevima (Militär
Verdienstkreuz III. Kl. mit Schwertern), osim toga podijeljen mi

God. 1923. prešao sam na rimo-kat. vjeru, a iste sam se god.
oženio sa nećakinjom gdje. Marije Radić.

Iz toga braka potječe jedna kćerka, kojoj je po zakonskoj
osnovi priznato pravo arijskog porijekla i koja se odgaja u čisto
hrvatskom duhu.

Od god. 1918 unaprijed bio sam uvijek u hrvatskim redovima
te sam na svim izborima glasovao samo za hrvatske stranke, a kod
nijednih se izbora nisam od glasovanja ustegao.

Za vrijeme diktature radio sam aktivno za hrvatske
stradalnike te sam davao i sakupljao novac i darove za iste
premda je za takav rad bila predviđena najstroža kazna.

Petition of engr. Gjuro Kastl
certified architectural engineer
from Zagreb, 3b Gjorgjićeva Street,
for the recognition of rights that
belong to the people of Aryan descent

Referring to the Article 6 of the Law Decree on Racial Affiliation, I would like to ask for the recognition of the rights that belong to the people of Aryan descent, and this

Petition

I will elaborate with following arguments:

I have been raised as a Croat by my mother, whose father was elected for Zagreb City Council in 1892, as a member of opposition, during the assimilation movement, which provided many public workers from the Jewish ranks, both in cultural and political field.

All my life I have worked and acted as a Croat, and I have never been a member of any Zionist or Masonic society.

In high-school I was a member of Croatian Falcon and HAŠK (Croatian Academic Sport Club).

As a technician, I worked in Croatian ranks in Prague and in academic society *Croat in Prague*.

During World War 1914-1918 I was a soldier in Austria-Hungarian army, and I was decorated with small silver medal of courage and a military cross for merits of the 3rd class with swords (*Militär Verdienstkreuz III. Kl. mit Schwertern*), and awarded with *Karl Truppenkreuz*.

In 1923 I converted to Roman-Catholicism, and the same year I married the niece of Mrs. Marija Radić.

In that marriage a daughter was born, and her Aryan descent with belonging rights has been recognized, as she is being raised as a Croatian patriot.

From 1918 onwards I have always been among Croatian ranks and in all elections I voted only for Croatian parties, and I have never been absent from voting.

During the dictatorship I have worked actively for Croatian victims and I have donated and collected money and gifts for them, even though this could have been sanctioned with toughest punishment.

Truthfulness of the abovementioned statements can be confirmed by:

I would also like to confirm that enr. Kastl, during the time he spent as a member of the *Špiler and Šurina* (later *Špiler and Kastl*) construction company, i.e. from 1925 to 1940, did not acquire any property, nor were he and his family financially secured.

To Mr. *Poglavnik* of Independent State of Croatia I have already submitted a petition, in order to gain Aryan rights on the basis of the Article 6 of the Law Decree on Racial Affiliation.

Mi svi potpisani namještenici i činovnici tt. Intercontinentale & Caro i Jelinek d.d. Kroz sve to vrijeme radili smo svi zajednički u najprijateljskijoj atmosferi, pošto je spomenuti bio naprama svakom pojedinom od nas uvijek ispravan, kolegijalan i pošten.

Koliko ga svi poznajemo, isticao se naročito sa velikim Hrvatstvom još u ono vrijeme, kad su se drugi bojali svoje nacionalne osjeđaje isticati. Bio je mnogo proganjan od političkih vlasti u Beogradu i nepravedno je stradao i patio u beogradskoj glavnjači i ako mu se nije moglo nikada dokazati da je ikad bio što drugo, nego li Hrvat. On je dakle svoje hrvatstvo uvijek i svagdje isticao i zbog njega stradao.

Radi toga ga je i naša tvrtka i sada još ostavila u našoj sredini i ako ne kao našeg namještenika, ali dozvolivši mu, da još i dalje posjeđuje svoje 20-godišnje mušterije i da od njih donša posao u korist hrvatske privrede.

We, the undersigned employees and officials of *Intercontinentale & Caro and Jelinek d.d. Zagreb*, we are hereby declaring and signing that SLAVKO NEUMANN has worked with many of us in the same company for 19 years. During this period we have all worked in a very friendly atmosphere, since the person in question has always been just, correct and fair with every single of us.

Ever since we met him, he has been distinguishing himself as a true Croat, even during the times when the others were afraid to express their national feelings. He was persecuted by the political authorities in Belgrade and has unfairly suffered in Glavnjača (a prison in Belgrade), even though they could not prove his guilt, except for being a Croat. So, he has always and everywhere emphasized his Croatianhood, and has suffered because of it.

This is why our company has decided to let him stay, and we would like you to allow him to stay; if not as our employee, then as a person who would be able to visit his 20-year-long customers, and to bring work to the company for the good of the Croatian economy.

Zagreb, 31 May 1941

Mr. Haim Montiljo, a dentist from Zagreb, was a secretary of the *Society of Independent Dental Technicians* since the foundation of the society in 1930 till 1933. The society then changed its name to *Croatian Dental Society* and Mr. Montiljo was a secretary from 1933 to 1930, when he decided to resign.

During this period he distinguished himself with unselfishness and hard work for the benefit of the entire profession, so on 16 April 1938, the members elected him unanimously for the position of the secretary of the Dental Chamber in Zagreb, and he left this position in late 1938.

As a secretary of the Chamber, he was especially active in the struggle for the withdrawal of Croatian dentists from the centralist Chamber in Belgrade and the foundation of an independent Croatian Dental Chamber.

As a token of recognition for his great merits for the entire profession of Croatian dentists, *Croatian Dental Society* elected Mr. Haim Montiljo unanimously as an HONORARY MEMBER in 1935.

Potpisani zakleti Ustaša Ožanić Marko, a povodom molbe Fišer Mavre iz Zagreba, da mu se priznaju u njegovoj molbi zamoljena prava koja uživaju osobe čisto arijskog porijekla, -izjavljujem slijedeće:

1./Fišer Mavro bio je u procesu protiv mene glavni svjedok i svjedočio je u moju korist i time mi spasio život, a da je tome tako može se viditi iz faksimila zapisnika o glavnoj raspravi i presude u originalu, koje prilažem pod I. i II.

2./Osim toga poznajem već od prije Fišer Mavru kao čovjeka koji je isticao svoje simpatije za Hrvatski narod i njegovu borbu i vjerujem, da se nije nikada ogriješio o interese Hrvatskog naroda, pa toga radi molim, da se njegovoj molbi izadje u susret.

STATEMENT

Undersigned sworn Ustasha Marko Ožanić, with regard to the petition of Mavra Fišer from Zagreb (who has asked for the recognition of the rights belonging to a person with clear Aryan descent), would like to state the following:

1./ Mavro Fišer was a crucial witness in my trial and his testimony saved my life, and this can be proven by reading the original facsimile of the record of the main discussion and the verdict, which I attach under numbers I and II.

2./ Besides that, I have previously been acquainted with Mavro Fišer as a man who has always been a supporter of Croatian people and its struggle and therefore I believe he has never sinned against the interests of the Croatian people, and therefore I am pleading you to consider his petition.

STATEMENT.

Undersigned Croatian citizens from Podravska Slatina hereby declare that it is true that a publisher and a paper mill owner in Slatina, Ljudevit Bauer, who died in 1939, was considered to be (during his 40-year-long stay in Slatina) to be a determined, unshakable Croat (on behalf of other citizens). As such, he was persecuted, and his business suffered a lot; also, anti-Croatian government placed him in house arrest.

Deceased Ljudevit Bauer was a part of every Croatian national movement (together with Croats from Podravska Slatina), and as a true Croat, in every municipal or parliamentary election he voted for the Croatian candidates.

He died in materially bad conditions, and his wife, who is severely ill (she suffered a stroke for a couple of times) and weak, has been accommodated to the Monastery of the Sisters of Mercy in Slatina where they take care of her. It was organized by the Croats-Catholics of Podravska Slatina.

For all the reasons mentioned above, undersigned Croatian citizens from Slatina would like to recommend her petition sent to the Ministry of Internal Affairs of Independent State of Croatia, hoping for a positive resolution.

Rođen sam u Karlovcu god. 1912. 1/VIII od obrtničkih roditelja, koji su se preselili god. 1913 u Zagreb, gdje i danas živim.

Išcio sam zubotehnički zanat kod dentiste Leo Paspé. Zagreb. Masarykova ul.

Bio sam aktivni član "HRVATSKOG SKOOLA" do njegovog zatvaranja po prošlom režimu. Na dan kada je izvršen napadaj na Dogačnika Dr. Mile Budaka, javio sam se dobrovoljno između 40 članova za stražu. koja je bila sastavljena na inicijativu gospode: Ivana Wernera, Miška Zebića, Husa Nikole i drugih tadanjih odbornika. Straža je bila postavljena oko sanatorija Dr. Gottlieba na Srebrnjaku, gdje je ležao ranjen Dogačnik Dr. Mile Budak. Bio sam uzastopce dvije noći na straži, dok nijesam bio zamjenjen.

Gornje navodjam kao dokaz, da sam bio spreman, da za jednog od članova Hrvatskog vodstva snosim sve posljedice, te da sam u hrvatskom duhu odgojen. Za istinitost gornjih navoda svjedoče potpisi dolje potpisane gospode.

Budući sam namješten, te uzdržavam ženu i majku i jer danas kao Židovu mi se osporava dosadašnji život i rad, molim, da mi se gornje uzme u obzir i da mi se ne prave poteškoće, jer po sadašnjim zakonima nemam nikakova prava, a ista su mi potrebna za nastavak mog zanata.

U nadi povoljnog rješenja moje molbe, te da se mi se dati prilika, da dokažem svojim ponašanjem i radom, da sam vrijedan toga

TO THE MINISTRY OF INTERNAL AFFAIRS
OF INDEPENDENT STATE OF CROATIA

ZAGREB

I was born in Karlovac on 1 August 1912. My parents were artisans who moved to Zagreb in 1913, the city I live in.

I was educated to be a dental technician at the office of a dentist called Leo Paspas (Zagreb, Masarykova Street).

I was an active member of "CROATIAN FALCON" since its closure. On the day *Doglavnik* Dr. Mile Budak was attacked, I volunteered to be among the forty members of the guard that was assembled by: Ivan Werner, Miško Zebić, Nikola Hus and other former councilors. The guard was set up around Dr. Gottlieb sanatorium on Srebrnjak, where wounded *Doglavnik* Dr. Budak was lying. I was on the watch for two nights in a row, until I was substituted.

I am mentioning this as a proof that I was ready to face all possible consequences in order to protect a member of Croatian leadership, and that I was raised to be a Croatian patriot. The truthfulness of my words is confirmed by the signatures of the undersigned gentlemen.

Since I am supporting my wife and my mother, and since, as a Jew, I am in a situation where my whole life and work are being denied, I am pleading you to take the abovementioned information into consideration, because according to the current law I have no rights, and I need them to be able to continue with my trade.

I am hoping to get a positive answer to my petition, and I hope I will be given a chance to prove, both by my behavior and my work, that I am worthy of it.

Kao takova bila je ista za nas stalna zaštita, koja se je brinula za zaštitu naših interesa, koli u poduzećima, toli i privatno, dajući nam uvijek potpore i savjeta u svim eventualnim našim neprilikama.

Ista je uvijek s nama i našim brigama suosjećala, ne praveći nikada nikakove razlike medju nama, tako da nikada nismo osjetili, da bi ista bila nešto drugo od nas, a nikada kod iste nismo napose osjetili, da bi bila Židovka.

Ista je uvijek isticala svoje hrvatstvo i pripadnost Hrvatskom narodu, tražeći od nas, da ustrajemo u svome Hrvatstvu sa punom nadom u uspjeh borbe, koju je Hrvatski narod poveo za oživotvorenje svojih ideala.

STATEMENT

We, the undersigned workers and employees of *Kartonaže Rožankovski, Karton* and *Marija Šifrer* are voluntarily making this statement about Mrs. Ruža Lang from Zagreb, 6 Lopašić Street:

Mrs. Ruža Lang was our superior in the abovementioned enterprises from 1933 till 1941.

As such, she was our constant protection; she took care of our interests, regarding both business and private life, providing us support and advice during all our potential troubles.

She was always very compassionate to us, never making any distinctions between us, so we always perceived her as one of us, and we never felt that she might be a Jew.

She would always emphasize her strong national feelings for Croatia and her affiliation to Croatian people, asking us to strive in our *Croatianhood* strongly hoping for the success of our struggle, which was led by Croatian people in order to bring to life its ideals.

Subject:

A petition made for Adolf Švarc from Zagreb
to exempt him from Anti-Jewish measures

Adolf Švarc, a clerk born in Vaško (Podravska Slatina) on 24 January 1899, a son of Jakob Švarc, resident of Zagreb, 26 Iločka Street, interned by the order of the Jewish Department of the Ustasha Police.

However, Adolf Švarc was a corporal in the 53rd infantry regiment in Zagreb, and he distinguished himself on 5 December 1918, in a military uprising against the Serbs in Zagreb.

He was sentenced to a prison (3 and a half years) by the verdict of a military court (indictment number 6/I 359/18).

Since Adolf Švarc proved, both during the war and the uprising, that he is an exemplary Croat, and he has distinguished himself with bravery, we are asking

The Ministry of Internal Affairs to approve and impose an order that would release mentioned Adolf Švarc from internment, and exempt him from the Anti-Jewish measures, till the law on the Jews is passed.

Ja Gvozdić Viktor iz Zagreba Granešinska ul.12. izjavljujem ovime, da mi je kao starom i poznatom Hrvat- pravašu poznato iz vlastitog opažanja, jer sam u Koprivnici živio preko 50 godina, da Šalamon Alfred bivši trgovac iz Koprivnice star 66 godina nije nikada i nišim se ogriješio o interese Hrvatskog naroda, nego da je naprotiv pomagao sva hrvatska društva i dobrotvorne ustanove samo se s Hrvatima družio i uvijek isticao svoje hrvatstvo, te i svoega sina tako odgojio u čisto hrvatskom duhu.-

Ovu svoju izjavu dajem po svom najboljem uvjerenju i savjesti jer to Šalamon Alfred i cijela njegova obitelj - makar da su Židovi - kao dobri Hrvati zaslužuju.-

STATEMENT.

I, Viktor Gvozdić from Zagreb, 12 Granešinka Street, hereby confirm that I, as an old and reputable Croat (member of Croatian Party of Rights), can personally confirm that, to my knowledge (for I have lived in Koprivnica over 50 years), 66-year old former merchant from Koprivnica, Alfred Šalamon, has never done anything to harm the interests of Croatian people. On the contrary, he has always helped all Croatian societies and charities; he has spent most of his time with Croats and always emphasized his Croatianhood. He has also raised his son as a Croat.

I give this statement in all conscience and belief because Alfred Šalamon and his family – even though they are Jews – deserve it because they are loyal Croats.

Ovdješnji su se Židovi uvijek pokazivali prema našem narodu u svakom pogledu susretljivi a isto su tako bili korektni u borbi hrvatskog naroda protiv tuđina za svoju slobodu te su nekoji i radi toga proganjani.

Advisory board has reached the following conclusion (point 30), related to:

1. sisters Ljuba, Ada and Paula Biller
2. Dr. Milan Kirschner
3. Milan Weiss, the upper two from Zlatar and the third from Brestovec

We are suggesting to the famous title not to apply the regular anti-Jewish measures upon these people. Person under number 3 is protected so far, (number Pr 54/1941), but those under numbers 1 and 2 are not, even though they have sent their own petitions.

Local Jews have always been attentive to our people in every aspect, and they have also been correct during the struggle of Croatian people against the foreigners for its freedom – some of them were even persecuted for these reasons.

We believe that persecution of any kind of these people would cause a resentment among our community, and therefore this Municipality is suggesting you to make everything possible to leave these people alone, i.e. not to apply the anti-Jewish measures.

POGLAVNIČE !

Mi niže potpisani, koji smo još ostali na životu i koji smo godine 1895. spalili madjarsku zastavu na Jelačićevu trgu u Zagrebu svjedočimo, da je Irena Hirschl rođj. Rosenberg, Židovka, 69 godina stara, rođjena u mjestu Orle, zavičajna u Koprivnici, udata za Samuela Hirschl, koji se sada nalazi u logoru Jasenovac, majka četvero djece sa boravištem u Koprivnici, bila vatrena Hrvatica-Starčevićanka.

Ista je kao mlada djevojka dolazila u kuću pok. Jurice Balaška u Petrinjskoj ul. 27, gdje je bilo glavno sastajalište Starčevićanaca, kamo je dolazio i sam Otac Domovine Dr. Ante Starčević sa svojim bratom Davidom i nećakom Milom, gdje smo se i mi ostali Starčevićanci sastajali. Navedena Irena Hirschl vlastoručno je šivala madjarsku zastavu, koju smo mi spalili. Radi svog čina bila je u ono doba i policijski progonjena. Poslije nam je za vrijeme našeg zatvora u Zagrebu, donosila hranu i cigarete, dok nismo bili premješteni u zatvor u Bjelovar. Na sprovodu Oca Domovine nosila je vijenac sa gospođjom Haligonja rođj. Majtanić iz Zagreba. Dobila je za uspomenu sliku Oca Domovine Dr. Ante Starčevića.

Kako smo saznali, da se ista već četiri mjeseca nalazi u logoru Lobor-grad, teško bolesna molimo Vas, Poglavniče, da se ista sa svojim suprugom, koji je star 71 godinu, pusti na slobodu i da joj se dade građansko pravo, jer kao Hrvatica-Starčevićanka, i ako Židovka, to je zaista i zaslužila.

Poznavajući, Poglavniče, Vaše plemenito srce, utječemo se Vama sa mdbom, da bi ovu našu molbu izvolili uvažiti, te ostajemo uvijek

Zagreb, 28 November 1941

DEAR *POGLAVNIK!*

We, the undersigned, who managed to survive and who burned the Hungarian flag on Jelačić Square in Zagreb in 1895, would like to witness that Irena Hirschl, born Rosenberg, a Jew, 69 years old, born in a place Orle, raised in Koprivnica, married to Samuel Hirschl (now located in Jasenovac camp), a mother of four (residents of Koprivnica), has always been a fiery Croatian, a supporter of Ante Starčević.

As a young girl, she used to come to the house of deceased Jurica Balaško in 27 Petrinjska Street, which was a meeting place for all Starčević supporters, and where Ante Starčević, "Father of Our Homeland", used to come himself, together with his brother David and niece Mila, and where the rest of us, Starčević supporters, used to gather. Mentioned Irena Hirschl knitted with her own hands the Hungarian flag that was later burnt. Because of this, she was persecuted by the police. Later, while the rest of us were in prison, she was bringing us food and cigarettes – until we were transferred to Bjelovar. On the funeral of the Father of Our Homeland, she was carrying the wreath with Mrs. Haligonja (born Majtanić) from Zagreb. She was given a picture of a Father of Our Homeland – Ante Starčević – as a souvenir.

We found out that she has been in Lobar-grad camp for four months, very ill, so we are pleading you, *Poglavnik*, to set her and her husband, who is 71 years old, free, and grant her civil rights, because as a Croatian who supported Starčević, albeit Jewish, she deserved it.

Knowing your noble heart, dear *Poglavnik*, we are sending this petition to you, hoping you will take it into consideration.

FOR HOMELAND –READY!

Velikom županu Velike župe Prigorje

u Zagrebu

Potpisana posjedujem u zajednici sa mojim suprugom Eugenom Mendel malu jednokatnu kuću sa jednim stanom u Podsusedu br.222, a koju smo stekli dugogodišnjim ~~xxx~~ zajedničkim radom kao privatni namještenici. Dana 18. IX. t. g. odveden je moj suprug bez razloga kao šidov u logor u Jasenovac. Od toga dana proživljam zajedno sa mojim jeanogodišnjim djetetom gotovo svakodnevne neugodnosti. Useljenjem žandarmerijskoga narednika g. Simunića u moj stan, skučena sam u svom posjedu, imovina mi je svakog dana u pitanju, a naročito od kada me kotarska oblast želi posve iz mog posjeda izvlastiti.-

Molim stoga sl. Naslov, da izvoli provesti izvide, iz kojeg je razloga moj suprug Eugen odveden u logor, pa da ga u slučaju posvemašnje nekrivnje osloboditi izvoli. Molim to naročito, jer je moj suprug bio organizirani član Hrvatske seljačke stranke, te kao takav glasovao za najjaču hrvatsku stranku i svakom prilikom podupirao sve hrvatske akcije. Molim nadalje, da visoki Naslov izvoli provesti izvide na koji način i čijim sredstima smo pribavili navedenu nekretninu u Podsusedu br. 222, pa ustanovi li se, da je nekretnina stečena samo našim poštenim radom, samoprijeđorom i odricanjem, da nas izvoli visoki Naslov u našem vlasništvu i nesmetanom posjedu osigurati.-

Ču svoju molbu potkrepljujem brojnim potpisima građana Podsuseda koji svjedoče o našem nepravnom stanju i da se nigda nijesmo ogrijevali o interese hrvatskog naroda.-

U očekivanju brzog i povoljnog rješenja bilježim se sa štovanjem

Priepis.-

Niže potpisani jamčimo, da je Eugen Mendel iz Podsuseda pošten i povučen čovjek. Znamo da nigda i nigdje nije radio protiv interesa Hrvatskog naroda. Za vrijeme od zadnjih četiri godine što stanuje u Podsusedu, surađivao je s nama i uvijek štiti naše interese. Bio je začlanjen jedino u Hrvatskoj seljačkoj stranci. Molimo, da se ispita njegova stvar i njega pusti na slobodu.-

To Great Prefect of Great Parish of Prigorje

In

Zagreb

In union with my husband Eugen Mendel, I, the undersigned, own one-story house with one apartment in Podsused n. 222, and we have acquired it through many years of joint work as private employees. On September 18, my husband was taken, as a Jew, to Jasenovac camp for no reason. Since that day, together with my one-year-old child, I have been experiencing unpleasantries almost every day. Since police sergeant Mr. Šimunić has moved in my apartment, I have been living in cramped conditions, my assets are in question every day, especially since the district authorities want to expropriate me entirely from my property.

I am therefore pleading the honorable title to conduct an investigation why my husband has been taken to the camp, and in case his innocence is proven, set him free. I am pleading it especially because my husband was an official member of Croatian Peasant Party, and he had always voted for it, and has always supported all pro-Croatian activities. I would also like to ask the high authority to conduct an investigation regarding the acquisition of the mentioned real estate (Podsused number 222). If you conclude that we have acquired it only through our honest work and sacrifice, I would like the high authority to secure me to use my asset undisturbed.

I am corroborating my petition with numerous signatures of citizens of Podsused who can testify about our stand and the fact that we have never sinned against the interests of the Croatian people.

Excepting a quick and favorable solution to this problem, I am sending my regards.

Podsused [part of Zagreb], 23 December 1941.

Ružica Mendel,

Podsused 222

The undersigned are vouching for Eugen Mendel from Podsused – he is a fair and a modest person. We know that he has never and nowhere done anything against the interest of the Croatian people. During the last four years (since he has moved to Podsused), he has collaborated with us and has always protected our interests. He was a member of Croatian Peasant Party only. So we are pleading you to see into this matter and set him free.

p. 113

Mi potpisani Hrvatski seljaci iz sela Vetovo kotar Požeški izjavljujemo da nam je osobno poznat Jakob Šilinger i njegova supruga Etelka iz Požege, koji su u našem selu sve do prevrata poslije svjetskoga rata živjeli i bavili se seljačkim gospodarstvom te su bili vazda uz Hrvate, uživali glas vrlo poštenih ljudi te su se napose Jakob Šilinger isticali kao pristaše Hrvatske stranke prava i pomagali kod izbora narodnome zastupniku Ivanu Začluki. Bavili su se uglavnom zemljoradnjom a Jakob Šilinger bio je i glavnik naše zemljišne zajednice. Mi jamčimo za njegovu čestitost i opredjeljenost prema Hrvatima te znamo da se on ne će ni u buduće ogriješiti o interese hrvatskoga naroda. Stoga molimo, da bude dopušteno, da bude oslobođen od boravka u zbirnome logoru u Jasenovcu s tih razloga kao i s razloga što je star i bolešljiv odnosno iz logora u Staroj Gradiški.

Translation:

Undersigned Croatian peasants from village of Vetovo, district of Požega, are stating that we know personally Jakob Šilinger and his wife Etelka from Požega, who were living in our village until the coup after the World War, where they had a rural business of their own. They have always supported Croats and were perceived as honest people; especially Jakob Šilinger has distinguished himself as a supporter of Croatian Party of Rights, and the two of them played an important role when in election of Ivan Zatluka as a Member of Parliament. They were farmers and Jakob Šilinger was a chief of our agricultural society. We vouch for his uprightness and his pro-Croatian orientation and we know that he would never do anything to harm the interests of Croatian people. Therefore we are asking you to exempt him from staying in Jasenovac or Stara Gradiška camp for all of the abovementioned reasons, and also because he is an old and ill man.

HRVATSKI RADNIČKI SAVEZ
PODRUŽNICA SARAJEVO

Sarajevo, 3. siječnja 1942.

Broj : 47/42

P. n. Drugu
VJEKOGSLAVU BLAŠKOVU
Drž. Tajniku Hrv. Rad. Komore

Z A G R E B.

Podružnica Sarajevo je za svojega člana jevreja Avrama Danitija učinila molbu na Redarstvo radi slobodnog kretanja, te i na vojni samovozni bataljon za ponovni prijem u zaposlenje, kao strojni bravar. Od strane obiju vlasti je molbi udovoljeno kako se vidi iz priloženih dopisa.

Od strane Radničke Komore u Sarajevu je iznešeno u priloženom prilogu, nacionalni rad istog kao jevreja, što je u gradu Sarajevu svakako bila jedna vanredna pojava, da između jevreja koji su anacionalni bude jedan Avram Daniti, koji se je još god. 1918. opredijelio uz Hrvatski nacionalni pokret, što je za njega značilo kao i za ostale nacionaliste, progoni i razna šikaniranja od strane vlasti, a još ktome bio je bojkotovani u židovskim redovima. Imenovani se nije dao uplvisati od nikoga i trpio je sva proganjanja, te je ostao vjeren borac u hrvatskim nacionalnim redovima. Da se je Avram Daniti opredijelio uz hrvatske nacionaliste, rukovodio ga je samo osjećaj, koji je stekao u Evropskom ratu 1914 - 1918, gdje je kao jevrej odlikovan sa zlatnom i srebrenom kolajnom za hrabrost i ako se vrlo dobro znađe, da za vrijeme europskog rata svi skoro židovi bili su "Enthoben" ili ako su služili u vojsci bili su u pozadini i sprovodili špijunažu i sabotažu.

Nije u mogućnosti sve pojedinosti, da se opišu, ali živi svjedoci hrvatski nacionalisti mogu posvjedočiti, da je Avram Daniti vodio hrvatsku omladinsku borbu protiv za ono vrijeme zloglasne "Orijuna" Pribičevićeve Avangarde u kojoj je bio najveći ološ što se u opće može zamisliti, a imali su za zadaću, da sve što je Hrvat i takovim osjećalo treba da unište. Pored svih političkih smicalica zloglasne beogradske čaršije, hrvatski narod od grada Sarajeva nije se pokolebao, nego složno sa cijelinom hrvatskog naroda vodio borbu, u kojoj je Avram Daniti bio aktivan, te kod osnutka područ. Hrvatskog Rad. Saveza, Avram Daniti je jedan od prvih začlanič, a pored toga je bio član pjevačkog društva "Trebević", hrvatskog "Napretka" i hrv. čitaonice u gradu Sarajevu.

U svezi sa izloženim obraćamo se Vama sa molbom, da nam kao tajnik središnjice u ovoj stvari pomognete, jer imenovani je interniran u Jasenovac skupa sa svojom obitelji. Prilikom interniranja židova iz Sarajeva u Jasenovac, isti Avram Daniti je bio od strane nekih neodgovornih elemenata denunciran i tim povodom je lišen slobode on i njegova obitelj te odpremljeni u koncentracioni logor u Jasenovac. Ova podružnica se osjeća moralno obvezatnom, da se za istoga zauzme kao svoga člana, ali podružnica nema mogućnosti bilo što, da u Sarajevu poduzme, jer ovdašnje vlasti nemaju

51
mogućnosti bilo što u tom pogledu učiniti, te Vas dragi povjereniče molimo, da budete u toliko dobar i omogućite Vašim posredovanjem, da Avram Daniti bude oslobođen iz koncentracionog logora zajedno sa svojom obitelji i povraćen na rad samovoznom bataljonom u Sarajevo.

Ova podružnica se obraća na Vas lično iz razloga, jer Vi imadete mogućnosti na mjerodavnim mjestima stvar zastupati, po Vašoj dobroj volji, jer Vaš djelokrug Ustaškog rada imade mogućnosti i uspjeha i tako ovoj podružnici u ovom pitanju doći u susret.

U nadi, da se nećete oglušiti ovoj na Vas upućenoj molbi ostajemo

CROATIAN WORKERS' UNION

SARAJEVO BRANCH OFFICE

Sarajevo, 3 January 1942

Number : 47/42

P.n. to Comrade

VJEKOSLAV BLAŠKOV

State Secretary of Croatian Workers' Chamber [abb.]

ZAGREB

The branch office in Sarajevo sent a plea regarding freedom of movement for its member, the Jew Avram Daniti, and to the military motorized battalion for re-employment as a mechanical locksmith.

Both authorities have granted the request as shown in the attached letter.

The Sarajevo Workers' Chamber attachment below sets out the national work of the aforementioned Jew, which in Sarajevo has certainly been an exceptional occurrence that, among anational Jews we find one Avram Daniti, who had already in 1918 sided with the Croatian national movement, which for him and other nationalists led to persecutions and various harassments by the authorities, and well as boycotting within the Jewish community. The aforementioned did not allow himself to be persuaded by any and suffered all persecutions, and has remained a faithful soldier among Croatian nationalists. In siding with Croatian nationalists, Avram Daniti has been guided only by the feeling he had gained in the European war in 1914-1918, in which, as a Jew, he had been ordained with a golden and silver medal for courage; and it is well known that, during the European war, almost all Jews were "Enthoben" [T/n: relieved of their duty], or if they did serve in the army, were charged with covertly conducting espionage or sabotage.

We are unable to describe all details, but Croatian nationalists can testify that Avram Daniti led the struggle of the Croatian youth against the then infamous "Orijuna", Pribičević's avant-garde movement comprised of the worst scum imaginable, tasked with destroying all that is Croatian or that feels so. Despite the infamous Belgrade public's political machinations, the Croatian people in Sarajevo did not waver, but fought together with the entire Croatian nation – a struggle in which Avram Daniti actively participated. He was also one of the first members of the Croatian Workers' Association branch, as well as a member of the "Trebević" choir association, the Croatian "Progress" association [T/N: Napredak] and the Croatian reading society in Sarajevo.

In view of what we presented here, we are turning to you, the central committee's secretary, with a request to help us in this matter, because the aforementioned was interned in Jasenovac together with his family. During the internment of the Jews from Sarajevo to Jasenovac, the very same Avram Daniti was denounced by a few irresponsible individuals and deprived of liberty alongside his family, and transferred to the Jasenovac concentration camp. Our workers' branch feels morally obliged to stand up for its member, but is unable to take any action in Sarajevo, as is the local authorities; we thus plead with you, our dear confidante, that you would be so kind to intervene for Avram Daniti so that he could be freed from the concentration camp together with his family and returned to work in motorized battalion u Sarajevo.

This branch is addressing you personally, because you can represent this matter to relevant authorities, if it is within your good will, because your domain of work for the Ustasha leaves the possibility that you could help us in this matter

In hope that you will not ignore this request addressed to you, we remain

FOR HOMELAND READY !

PETITION

To the Jewish Department in Zagreb, 12 January 1942

I, Dragutin Maisen, am pleading the Jewish Department of Independent State of Croatia to release my fiancée (*illegible*) (born 28 October 1919 in Novska, raised Bizovec, Valpovo, Croatia) who was arrested with her family on 9 January 1942 at 5:30 AM from her apartment in 46 Borongajska Cesta by Ustasha police, even though she has converted to Roman Catholicism. I can assure you that she is a true Croat who has never done anything against Croatian people; she is not pro-Jewish and she has never been among people who would do something contrary to Croatian interests. Therefore I am pleading the famous title to help my petition find its purpose, since I can guarantee for my fiancée and I would like to marry her.

My personal data:

Dragutin Maisen, born 1 November 1918 in Zagreb, raised in Zagreb, Roman Catholic, no criminal record, military served in Croatian Air Forces (duration 27 months) till 23 December 1941 – this is the reason why I was unable to get married sooner.

I believe you will accept these arguments and reply positively to my petition as soon as possible, before she could be taken somewhere else. I am granting for her, as well as those undersigned.

TO THE MINISTRY OF INTERNAL AFFAIRS

OF INDEPENDENT STATE OF CROATIA

In/

Z A G R E B

Undersigned farmers of Jastrebarsko district and its surrounding areas are pleading the Ministry of Internal Affairs of Independent State of Croatia to accept the petition made by the merchant from Jasterbarsko, Srećko Breyer. He is asking for the recognition of the Aryan and other civil rights for himself, his mother (a widow) Roza Breyer and his sister Elza (also a widow) Kuhar, born Breyer. The petition was originally sent to Mr. Poglavnik's Office and from there it was transferred to the Ministry of Internal Affairs; at that point (before the transfer) it was unsolved, but not rejected.

We are pleading you this because we are well familiar with life and history of the Breyer family, and we know that they are honest citizens and fine Croats who have always been emphasizing their Croatian sentiment; not only the three of them personally, but also the deceased Samuel Breyer (Srećko's father) who, as a fine Croat, raised his children to be loving people, full of respect for anything Croatian, and they have remained faithful to his ideas.

In our humble opinion, the Breyer family are the people who, perhaps more than anyone else, deserve to have their petition for the recognition of the Aryan and civil rights accepted.
